OFFICE OF THE INSPECTOR GENERAL OF REGISTRATION IN MYSORE, BANGALORE.

Notification dated 16th March 1933.

The following rule approved by Government in G. O. No. FI. 4748—Regis. 6-32-5, dated 27th February 1933, shall be substituted for the existing rule 38 of the Registration Rules : —

The revised rule shall come into effect from 1st May 1933.

Rule 38. "In all Registration Offices, the impression of the left thumb of the presenter of the document and of the executant or executants shall be taken in printer's ink off a pane of glass properly prepared for the purpose and transferred both to the document under the endorsements prescribed in Sections 52 and 58 of the Registration Regulation respectively and to a blank register kept in the registration offices. Against each impression so taken in this register, the name of the presenter or the executant as the case may be, the number of the deed in Books I, III, and IV or V and the date of endorsement shall be entered. The rigistering officer shall require every presenter and every executant of a document to affix such an impression both to the deed under the respective endorsement and to the register in his presence whether the presenter or the executant can write his name or not. If on account of having suffered injury or other cause, the presenter or the executant cannot affix the impresssion of his or her left thumb, the registering officer may take the impression of the thumb of his or her right hand or any other finger making a note in the register as to the thumb or finger of which the impression has been taken. The signature of every person shall be taken next to his or her impression in the register of thumb impressions. The registering officer or any identifying witness shall, in the case of an illiterate man, write the name against his mark.

"If any persen presenting or admitting the execution of a document affixes his or her signature to the endorsement of presentation or of execution but objects or declines to affix his or her thumb impression as above, the registering officer shall nevertheless proceed with the registration of the document or register the document as the case may be, endorsing at the same time a note of such refusal.

"Thumb impressions of persons presenting documents for registration shall be distinguished by the words " presenter " against the entry in the register of thumb impressions.

"Registering officers need not insist on thumb impressions in the case of a presenter who is literate and of good standing and need take such person's signature only."
